School Board Goals

LEARNING ENVIRONMENT

1. Continue to identify ways to create an optimal learning environment for all students and staff.
2. Monitor the learning environments to ensure safety of all students and staff.
3. Provide consistent discipline across the school.

STUDENT OUTCOMES

1. Continue to develop college, career, and military ready students.
2. Find ways to teach our students life skills that will help them become productive citizens.
3. Continue to promote extracurricular activities and participation in those activities.
4. Provide our students opportunities to develop soft skills for future employment.

COMMUNITY AND PARENTAL INVOLVEMENT

1. Continue a District Facebook page to share information with all constituents.
2. Connect with local newspapers and news channels to highlight Bellevue activities.
3. Develop promotional resources to grow enrollment in the future.
4. Support a strong PTFO, alumni organizations, and other parent/community groups.

PERSONNEL

1. Use the High Reliability Schools research model to provide quality professional development.
2. Maintain technology and training for staff to ensure continued success of students.
3. Encourage positive communication among staff, kids, and parents in all situations.
4. Maintain a positive work culture for retention of staff.

DISTRICT FINANCES

1. Provide and maximize CTE opportunities to grow WADA and increase attendance.
2. Support the continuation of small/midsize school adjustments with policy makers.
3. Educate the public on Chapter 41 and the difference between M&O and I&S.
4. Strive to maintain a balanced budget

Long Range Goals

1. Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development and administration.
2. Highly qualified and highly effective personnel will be recruited, developed and retained.
3. Parents will be full partners with educators in the education of their children.

4. All students will be encouraged and challenged to meet their full educational potential and demonstrate exemplary performance through well-balanced and appropriate research based curriculum.
5. School district will maintain a safe and disciplined environment conducive to student learning.
6. Efforts will be made through enhanced dropout prevention so that all students will remain in school until they graduate.

The State Compensatory Education program for Bellevue ISD provides supplemental services to the regular education program to increase achievement and upgrade the entire educational program on Title I School wide campuses with 40% poverty.

Schoolwide Program Elements

1.0 Comprehensive Needs Assessment-

1.1 The Title I, Part A Campus Improvement Plan is based on a comprehensive needs assessment of the entire school that takes into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those children who are failing, or are at-risk of failing, to meet the challenging State academic standards and any other factors as determined by the Local Educational Agency (LEA).

2.0 Campus Improvement Plan

2.1 The CIP is developed with the involvement of parents and other members of the community to be served and individuals who will carry out such plan, including teachers, principals, other school leaders, paraprofessionals present in the school, administrators (including administrators of programs described in other parts of this title), the local educational agency, to the extent feasible, tribes and tribal organizations present in the community, and, if appropriate, specialized instructional support personnel, technical assistance providers, school staff, if the plan relates to a secondary school, students, and other individuals determined by the school.

2.2 The CIP remains in effect for the duration of the school's participation under this part, except that the plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging State academic standards.

2.3 The CIP is available to the local educational agency, parents, and the public, and the information contained in such plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

2.4 Schoolwide Reform Strategies that the school will be implementing to address school needs, including a description of how such strategies: i. will provide opportunities for all children, including each of the subgroups of students (economically disadvantage students, students from major racial and ethnic groups,

children with disabilities and English learners [Sec 1111(c)(2)]) to meet the challenging State academic standards;

2.5 ii. will use methods and instructional strategies that strengthen the academic program in the school, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education; and

2.6 iii. will address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.

3.0 Parent and Family Engagement

3.1 Campuses shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the following requirements. Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. The policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school.

3.2 Campus shall offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided by Title I, Part A, transportation, child care, or home visits, as such services relate to parental involvement.
